ASSISTED LIVING & MEMORY CARE

Rhythm & Music *is a way of Life at Potomac Place!*

Music-filled events that engage our community are in regular rotation just like vinyl records of days past. A variety of genres, keep our feet tapping in tune with the beat providing entertainment with a dash down memory lane. We love to move and groove!

Nicole with Capital Caring Health and resident Hazel Tuck share a sweet moment.

Family, holidays, and delightful memories

The holiday season celebration was filled with traditions that make all young at heart. Decorations that filled our halls, and family gatherings that included a Special Visitor that brought a smile to our faces as we counted down to the New Year and adventures to come.
